

Portraits in Nature: Can you create a portrait of yourself using nature finds? Gather some nature from the ground and create a portrait of yourself using leaves, twigs, flowers and stones.

Favourite Colours: Can you draw yourself on a piece of card and cut out the clothes? Then take outside and search for your favourite colour for the clothes. What is your favourite colour and why?

Favourite food: Can you collage a paper plate with one side of foods you like and one side foods you don't like? If there is not enough room to collage on one plate you could always use two plates.

My Favourite Story: Can you draw a picture of the front cover of your favourite book? Can you draw a picture of your favourite characters and ask an adult to help write a sentence telling us why you like it so much.

Maybe you can bring in the book to share with us at story time?

You could always make your own lolly stick house to draw your family in instead if you like?
